# WJSOC, EYSOC 2014

Team officials' meeting

21.02.2014

Sprint

- **Start**

Start in same place as for middle distance, 1 km to southeast from competition centre along a major road. There is no warm-up area at the start, only a quite poor ski track along the major road.

- **Warm-up**

Warm-up area is the same area next to the competition centre as previous days

- **Waxing facilities**

Same as previous days.

- **Quarantine**

No quarantine zones. Maps will be collected after the finish.

It is strictly forbidden for teams to follow GPS tracking on web before last start  
FAIR PLAY!

## • Courses

Category	Length	Controls
M17	2,9 km	9
M20	3,5 km	12
W17	2,4 km	9
W20	3,1 km	11

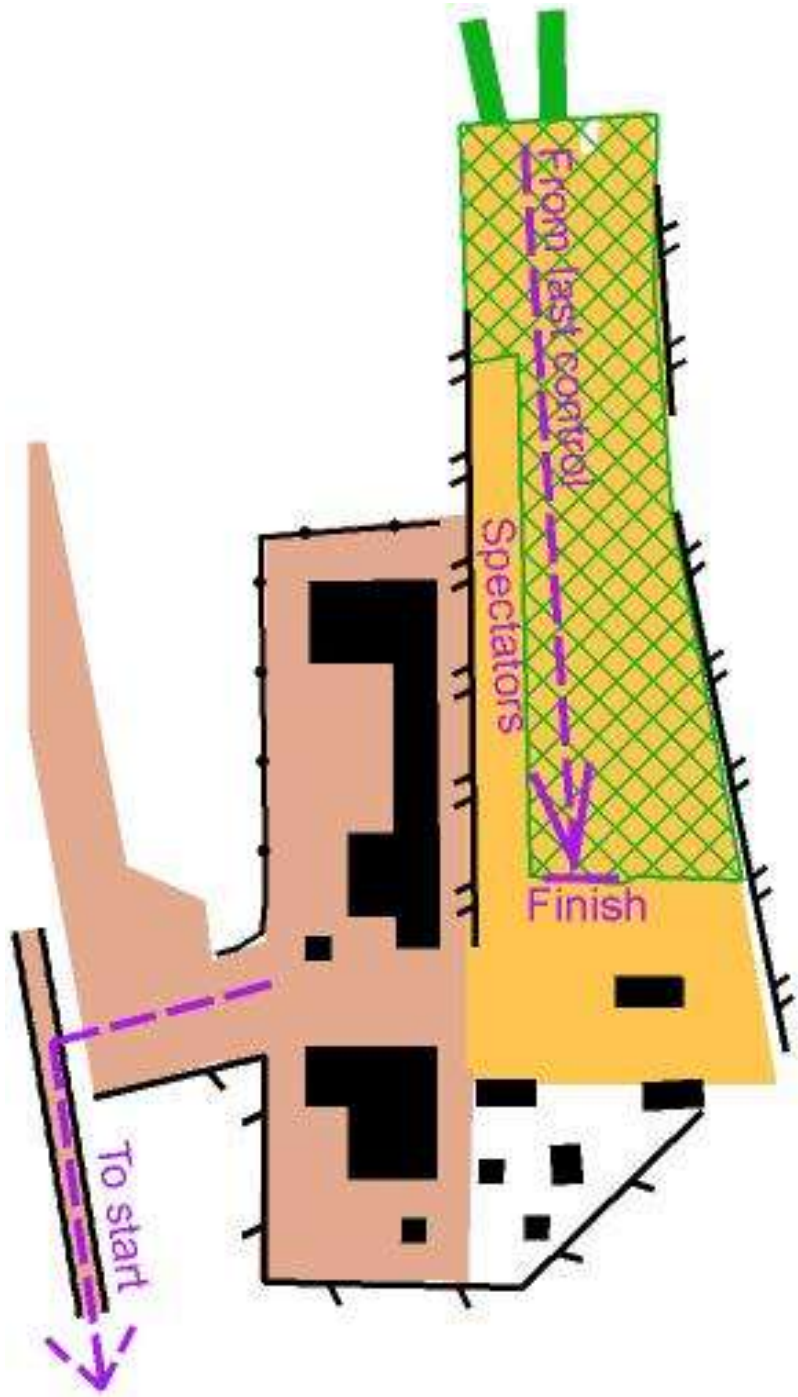

- Time start is located outside of the competition map, map start (start triangle) is 1 cm from map edge. Distance from time start to map start is 130 m

- It is allowed to take a route choice through ski-stadium.

- W20 - before first control there is one additional snowmobile track dead end. It is too short to be mapped. Just in case the junction is locked by plastic tape. (It has snowed and situation on terrain will be very clear now).

- Some new shortcuts are very big. No shortcuts are mapped.

- Map size is 25x25 cm.

## **GPS tracking**

GPS tracking devices will be handed out at the start. Selected skiers are marked in the start list
